See below question from Jill about our PFAS RAP. Do we have anyone we should list? Maybe Strynar/McCord? Or Jamie Strong and the folks in OW?

Need to respond by noon today.

Hi Adam, John, Justin and Mary,
Do you have partners for your CSS AOP Projects proposed below? Its okay if you do not. In some instances, I thought you might already have partners scientists/management or partner offices (e.g. OCSP, OPPT, OLEM) identified which may not have been captured in the templates information
Please respond **by noon (EST) tomorrow 6/13** with any partners for your projects. If none have been id'd yet, let me know and I will change to TBD.
Thanks,
Jill
